Building 5681
Bolling Air Force Base, DC 20332-6098

Dear Mr. Neufeld:

Thanks for your letter of 17 January 1985 about Dr. Wayne Thompson's additional clearances and request for increased access to CIA-originated materials at the Johnson Library covering the air war in Vietnam.

I'll enclose a copy of my letter to Dr. David Humphrey, Archivist at the Johnson Library, authorizing Dr. Thompson's access up to the level of his clearances to CIA records there. Please note that to conform with security procedures we've asked the Johnson Library to verify these clearances directly from the Air Force.

For your information, I'll also enclose a copy of our "CIA Records Access Policy (revised 1 August 1983)," which outlines the conditions under which this access is granted. Dr. Thompson is, I believe, quite familiar with these procedures.

With thanks for your help, and all good wishes,

Yours sincerely,

/s/ J. Kenneth McDonald
